**John W. Galbreath**  
1897 - 1988

On December 29, 1988, Pittsburgh Magazine announced the recipient of its prestigious "Pittsburgher of the Year" award which is given to the person "who has had the greatest impact on the city of Pittsburgh in the last year."

The honoree was the Pittsburgh Pirates, who were chosen for bringing new jobs to the city as well as giving Pittsburghers a

season of excitement and renewed pride in their city.

The following is excerpted from Pittsburgh Magazine editor Bruce VanWyngarden's cover story on the 1989 "Pittsburghers of the Year."

The story of the Pittsburgh Pirates' turnaround is a remarkable one. Baseball commissioner Peter Ueberroth has called the Pirates "baseball's new wave." He wasn't talking about the team's performance on the field, he was talking about the team's management structure. Baseball teams have traditionally been the province of wealthy men, owners who ran their franchises as hobbies. The Pittsburgh Pirates are owned by, in great measure, the city of Pittsburgh. The team is being managed, first and foremost, by businessmen, who quite naturally are running the operation as a business. So far, it's working like, well, like nobody's business. At least, nobody's baseball business. The Pirates have become the organization that other troubled franchises are beginning to look to as a model.

What has it all been worth to the city of Pittsburgh? In financial terms, a recent University of Pittsburgh study says that the Pirates bring from \$50 to \$100 million annually to the local economy through increased trade for restaurant, hotel, transportation and other service industries. Club president Douglas Danforth adds that keeping the team here has also saved more than 1000 jobs. In addition, the club pays the city two to three million a year in amusement taxes, concession receipts and parking taxes.

But the real worth of this team to Pittsburgh can't be measured by a cash register, or a year-end financial statement. It can only be measured on a night in June, as the sun drops behind the West End bridge and the Gateway Clipper, filled with happy fans, pulls up to the stadium dock. It can be measured by the sound of a roving Dixieland band playing "Take Me Out to the Ballgame." It can be measured in the face of an eight-year-old boy with a glove on his hand, waiting for that magic foul ball to come his way. And it can be measured in the heart of a city that, much like its 100-year-old baseball team, has come all the way back.

Barger had been an officer since the sale of the team, previously serving as Secretary/General Counsel, and had also served as Interim President since October 23, 1987.

He gained recognition for his involvement in the unique plan that kept the Pirates in Pittsburgh. In fact the Seattle Chamber of Commerce, looking for ways to keep the Mariners in Seattle, invited him to discuss details of the plan to their group. Barger is Managing Partner of Eckert, Seamans, Cherin & Mellott, a 170-lawyer law firm in Pittsburgh. His area of practice is corporate law and corporate finance for both public and private companies. His involvement in the Pirates actually began in 1984 when his firm offered free legal advice to any Pittsburgh investor who would consider purchasing the club from the Galbreaths.

A native of Lewistown, PA, he received his B.S. degree from Shippensburg State University in 1952. Following two years of service as an officer in the U.S. Army, he went on to Dickinson School of Law where he graduated summa cum laude with a Doctorate of Laws Degree in 1958 and joined Eckert, Seamans, Cherin & Mellott.

Larry Doughty was appointed Senior Vice President and General Manager for Baseball Operations by the Pittsburgh Pirates on November 7, 1988.

He assumed the duties of his current position on an interim basis on October 4, 1988. His employment with the Pirates began on October 26, 1987 when he was named Assistant to the General Manager. In that role he assisted Syd Thrift in the areas of player development, player procurement and contract negotiations.

"He had all the attributes we were looking for in a general manager," said team president Carl Barger when announcing his appointment. "He is a consummate worker who is extremely well-organized, a team player in every respect."

Doughty himself lists a strong farm system, occasional trades and experienced minor-league instruction as the basic formula for building a winner. His basic ingredients — build a team around power and speed and find good athletes with a strong will to win.

He began his career in organized baseball as a scouting supervisor for the Cincinnati Reds in 1970, responsible for the southeastern U.S. Twelve years later he was appointed as Cincinnati's Assistant Director of Scouting (prior to the 1982 season). He was also one of the state's top coaches in both baseball and basketball at the two schools (1965 baseball team won state title).

It was while he was still coaching in high school that he began helping Reds' scout Chel Montgomery to conduct tryout camps in Kentucky in the late 1960s and doing some "bird-dog" scouting.

## JIM LEYLAND (MGR)

**1989 OPENING DAY AGE:** 44

**BORN:** Dec. 15, 1944 in Toledo, OH

**RESIDES:** Pittsburgh, PA

**HEIGHT:** 6'0" **WEIGHT:** 180

**BATS:** Right **THROWS:** Right

**PLAYING POSITION:** Catcher

In each of Jim Leyland's first three seasons as manager, the Pittsburgh Pirates have showed an improvement in their won-lost record over the previous season. Only three other Pirate managers can claim such reform in their first three full years — Fred Clarke (1900-02), Bill McKechnie (1923-25), and Fred Haney (1953-55).

On November 20, 1985, Leyland inherited a team that finished just 57-104 the previous season. His first Pirate club showed a seven-game improvement (64-98), but still finished sixth in the N.L. East. The 1987 club won 27 of its last 38 games to post a mark of 80-82, a 16-game increase in the win column, and tied for fourth in the division. Last season the Pirates added five more wins (85-75) and were runners-up in the N.L. East to the New York Mets.

For his efforts, Leyland was duly honored last fall by THE SPORTING NEWS (TSN) as Co-Manager of the Year in the National League along with the Dodgers' Tommy Lasorda. Each received the votes of four N.L. managers, the first time since TSN has honored major league managers that there has been a tie. Leyland also finished second in the UPI Manager of the Year balloting behind Lasorda.

TSN honored a Major League Manager of the Year from 1936 thru 1985 and has honored individual league managers in each of the past three seasons. Previous Pirate managers honored by TSN (as Major League Manager of the Year) were Billy Meyer (1948) and Danny Murtaugh (1960 and 1970).

Leyland has been described as an intense competitor, but one who is able to put those around him at ease. He quickly established authority in the Pirate clubhouse, while at the same time maintaining a good rapport with his players as well as those in the front office.

His successful track record at every level, his dedication and his ability to teach were cited by the organization when announcing his appointment. Tigers' GM Bill Lajoie described him as being creative, a manager who always comes up with a new way to get a runner home. Former White Sox' GM Ken Harrelson said he has every quality you want in a manager — knowledge, patience and guts.

His appointment as manager followed over 22 years of professional experience, including 11 as a manager in the Detroit Tigers' farm system.

Leyland joined the Pirates after four seasons as the Chicago White Sox' third base coach and outfield instructor. He had been regarded as one of the finest third base coaches in the A.L. and had long been considered an outstanding major league managerial candidate.

A catcher during his playing days, Leyland signed his first professional contract with the Detroit organization in the fall of 1963 and served that organization as a player, minor league coach and minor league manager until joining the White Sox for the 1982 season.

A player from 1964 thru 1969, he was appointed coach at Montgomery (AA) in the Southern League in 1970. In 1971, at the age of 26, he received his first managerial assignment, taking over the Tigers' Bristol club of the Appalachian Rookie League. He also managed at Clinton (A) in the Midwest League, at Montgomery, and at Lakeland (A) in the Florida State League, before spending three seasons with the Tigers' Evansville (AAA) club in the American Association. His teams advanced to the playoffs in five of his last

six seasons, winning three league championships. All tolled, his clubs made six post-season appearances in his 11 campaigns at the minor league level.

Leyland was named Manager of the Year in the Florida State League in 1977 and 1978. He was also named as the American Association Manager of the Year after leading Evansville to the league title in 1979.

**PERSONAL:** James Richard Leyland (pronounced LEE-land) . . . Wife's name is Kalie . . . Raised in Perrysburg, OH (a Toledo suburb) . . . Graduated from Perrysburg H.S. in 1963 where he played football (quarterback), basketball (guard) and baseball . . . Houston Oilers' head coach Jerry Glanville is a graduate of same school . . . Father (Jim) was born and raised in the Butler, PA area . . . Brother (Tom) is a Catholic priest and performed his wedding ceremony (Nov. 1987) . . . Very close to his family, made Perrysburg off-season home until appointment as Pirate manager . . . Received coveted Wendell Smith Award, given annually to a Goodwill Ambassador for Baseball, at the Diamond Dinner in Chicago after 1985 season . . . In his role as the Pirates' bullpen coach, Rich Donnelly does more than answer the bullpen phone and making sure the relief pitchers are warmed up prior to coming into a game.

Donnelly coordinates workout schedules during spring training as well as all phases of the regular season pre-game routine. During the game it's his responsibility to keep a book on opposing hitters and to go over it with the relievers so they are prepared for who they may face when they enter a game and how to pitch to those hitters.

A former catcher, Donnelly was originally signed by the Minnesota Twins in 1967 after playing four seasons at Xavier University in Cincinnati. He had been drafted twice previously by the Yankees, but opted to stay in school. A veteran of 21 years in professional baseball, the Steubenville, OH native spent 16 seasons in the Washington/Texas organization before joining the Pirates.

Rich began his pro career playing at St. Cloud (MN) in the Northern League in 1968. He tied for the league lead in games played in his first pro season and led league catchers in putouts (486), assists (58) and fielding pct. (.984).

Donnelly spent four years as a player prior to becoming manager of the Rangers' Greenville (Class A) club in the Western Carolinas League in 1972. He managed the Rangers' Western Carolinas League clubs for four seasons, earning that circuit's Manager of the Year award in each of his first three campaigns when his clubs advanced to the playoffs. In 1974, his Gastonia club won the league title.

In 1976 the Rangers promoted him to manage at the AAA level in the Pacific Coast League. He piloted the Sacramento club in 1976, then Tucson for the next three seasons.

In 1980 he joined the major league club as bullpen coach, but returned to manage at the AAA level in the American Association for the 1981 (Wichita) and 1982 (Denver) seasons. **DID YOU KNOW . . .** Only four teams in World Series history have come back from a three-game-to-one deficit to win the title in a seven-game Series, and the Pirates are the only team to do it twice; other teams to do it once are the 1958 Yankees, the 1968 Tigers, and the 1985 Royals. The Bucs rebounded against the Washington Senators in 1925 and against the Baltimore Orioles in 1979.

## GENE LAMONT (Coach)

**1989 OPENING DAY AGE:** 42

**BORN:** Dec. 25, 1946 in Rockford, IL

**RESIDES:** Sarasota, FL

**HEIGHT:** 6'1"      **WEIGHT:** 195

**BATS:** Left      **THROWS:** Right

**PLAYING POSITION:** Catcher

The Pirates named Gene Lamont as their third base coach on November 21, 1985, just one day after Jim Leyland was appointed as the Pirates' manager.

Along with relaying signs and directing runners around the bases, Lamont is also responsible for getting the Pirates to their correct spots defensively in each situation.

A manager in the Kansas City Royals' farm system for eight seasons after retiring as an active player, Lamont spent the final two seasons of his managerial career with the Royals' Omaha club in the Class AAA American Association. Three of his eight teams advanced to the playoffs and 10 players on the 1985 World Champion Royals club played for Lamont in the K.C. farm system.

A catcher during his playing days, Lamont was the Tigers' first round pick in the June 1965 free agent draft (the 13th player picked overall). He spent all but three months of his playing career with the Detroit organization and made a big impression in his major league debut by homering in his first at-bat off the Red Sox' Cal Koonce on 9/2/70.

Gene spent the entire 1974 season with the Tigers and parts of four other campaigns with Detroit. He compiled a lifetime .233 average in 87 major league games with four homers and 14 runs batted in.

After closing out his playing career in 1977 with the Tigers' Evansville (Class AAA) club he began his managerial career with the Royals' Ft. Myers club in the Class A Florida State League in 1978, leading that team to a playoff berth.

Following two seasons at Ft. Myers, he managed Kansas City's Jacksonville club in the Class AA Southern League. In 1982 he was named the Southern League's Manager of the Year and his clubs went to the playoffs in two of his four seasons there. He spent the 1984 and 1985 seasons at the AAA level with the Royals' Omaha club in the American Association.

Long homered May 19, May 20 (both ends of a doubleheader), May 22, May 23, May 25, May 26 and May 28, connecting off Jim Davis of the Chicago Cubs, Ray Crone and Warren Spahn of the Milwaukee Braves, Herman Wehmeier and Lindy McDaniel of the St. Louis Cardinals, Curt Simmons and Ben Flowers of the Philadelphia Phillies and Carl Erskine of the Brooklyn Dodgers. Don Newcombe of the Dodgers stopped Long's homer streak on May 29, 1956, holding Long hitless in four at-bats, Yankees' Don Mattingly tied the record in 1987.

Former major league catcher Milt May was named as the Pirates' hitting instructor on November 11, 1986.

His role entails working with the hitters prior to the game, watching their mechanics, studying videos, and talking to hitters about what each pitcher throws and what to look for in certain situations.

The son of former major league infielder Merrill "Pinky" May, Milt spent 14 full seasons in the majors, retiring after the 1984 campaign. After spending one year as vice president of a bank in Bradenton, FL, he worked in the Pirate organization in 1986 as the club's advance scout, as a roving catch-

ing and hitting instructor in the minor league system, and as a manager and instructor in the Florida Instructional League.

Selected by the Pirates in the June, 1968 free agent draft, May made his major league debut in 1970, playing in five games at the age of 20. He played three full seasons for the Pirates, then played for Houston, Detroit, the Chicago White Sox and San Francisco, before being reacquired by the Pirates in August of 1983. He compiled a .263 lifetime batting mark in 1192 major league games with 77 home runs and 443 runs batted in.

During his minor league career he was named to his league's all-star squad each year — Gulf Coast Rookie League in 1968, Western Carolinas League in 1969 and International League in 1970.

In 1971, at the age of 21, he delivered a game-winning pinch-single in Game Four of the World Series vs. Baltimore. Traded to Houston after the 1973 season, he drove in Baseball's one millionth run on 5/4/75 when he hit a three-run home run @S.F. to drive home Bob Watson. He was traded to Detroit following the 1975 season, but played just six games in 1976 due to a fractured ankle. He spent the second half of the 1979 season with the White Sox, signing with the Giants as a free agent following the season.

He hit three career grand slams, had two two-homer games, collected five hits in a game (7/7/72 — 1st gm. — @Atlanta), and drove in five runs in a game twice.

**RESIDES:** New Athens, OH

**HEIGHT:** 6'3"      **WEIGHT:** 215

**BATS:** Right      **THROWS:** Right

**PLAYING POSITION:** Pitcher

Ray Miller, one of the most respected pitching mentors in baseball, was named Pirates' pitching coach on October 20, 1986.

He oversees the pitching mechanics, helps prepare a game plan as to how to pitch to each hitter, watches for signs in a pitcher's delivery that may indicate he is tiring, is in charge of the pitching charts, and records how long each reliever is up in the bullpen during the course of a game.

Miller, who formerly managed the Minnesota Twins, is best known for his successful stint as pitching coach of the Baltimore Orioles. In seven and a half seasons (1978-85) in that role he coached two Cy Young Award winners (Mike Flanagan and Steve Stone) and five 20-game winners (Jim Palmer, Flanagan, Stone, Scott McGregor and Mike Boddicker). Baltimore also appeared in the World Series twice during his stay there (1979 and 1983).

Miller, who reports to the Florida Instructional League each fall, helps oversee the development of the young pitchers in the organization, a vital part of the club's rebuilding process.

Originally signed by the San Francisco Giants, Miller began his pro career in 1964, playing for Lexington in the Western Carolinas League. He led the league in shutouts, was second in ERA and pitched a no-hitter in a 0-0 game called by rain after 8 IP on 8/3 that year and was drafted by the Cleveland organization following the season. He was traded to the Baltimore organization in May of 1971 and ended his playing career with the Orioles' Rochester (AAA) club in 1973, a year in which he became a player-coach. He finished his pro career with a record of 60-65.

From 1974 thru 1977 he served as Baltimore's minor league pitching instructor, then joined the Orioles at the major league level for the 1978 season. On June 21, 1985 he became manager of the Minnesota Twins. The club went 50-50 under his direction in his first year and was 59-80 in 1986 when he was replaced on September 12.

Following an outstanding five-year stint as a manager in the Pirate farm system, Tommy Sandt was rewarded by being named as the Pirates' first base coach on October 16, 1986.

Prior to the game Tommy works with the infielders. During the game he is in charge of the Pirates' baserunning, talking to runners about what to look for in pitchers' moves for pickoffs, about outfielders' arms, who you can take an extra base on, who charges the ball, and about what to be thinking in each situation.

A former major league infielder, Sandt was a player-coach for the Pirates' Portland (AAA) club in 1980 and 1981 prior to a two-year term as manager of the Pirates' AA entry in the Eastern League. In 1982 Buffalo finished 55-84. The club moved to Lynn (MA) in 1983 and finished in second place with a 77-62 mark, advancing to the Eastern League championship series, and earning Sandt a promotion to the AAA level as manager of the Pirates' Hawaii club in the Pacific Coast League.

Sandt led the Islanders to the best mark in AAA baseball in each of his first two seasons at Hawaii. In 1984 he was named PCL Manager of the Year after Hawaii finished 87-53 (.621) overall, winning the second-half Southern Division title enroute to the PCL Championship Series. BASEBALL AMERICA also honored him that year as AAA Manager of the Year. In 1985 the Islanders posted a mark of 84-59 (.587) overall, winning the first-half Southern Division crown. In 1986 Hawaii was 65-79 (.451) overall, giving Tommy a three-year AAA mark of 236-191 (.553). In five seasons as a minor league manager his teams compiled a record of 368-337 (.522), advancing three times to post-season play.

Primarily a shortstop, Sandt spent most of his playing career in the Oakland A's organization. He was Oakland's second round selection in the June 1969 free agent draft and was named as the Northwest League's Player

of the Year that year. He made his major league debut in 1975 with the A's, appearing in one game, after finishing fourth in the PCL in batting and leading league shortstops in fielding (.956). He then spent the entire 1976 season with Oakland, playing in 41 contests.

He was signed as a free agent by St. Louis on May 31, 1977. The Pittsburgh organization acquired him in a deal for pitcher John Stuper on Jan. 25, 1979.

## PIRATE BROADCASTERS

### Lanny Frattare

The "Voice of the Pirates," Lanny Frattare is in his 14th season with the club. Only Bob Prince and Rosey Rowswell have described Pirate action longer than Lanny. On August 9, 1988, Frattare broadcast his 2,000th Pirate game. A native of Rochester, NY, Frattare received his B.S. degree in communications from Ithaca (NY) college in 1970. His baseball broadcasting career began in 1968 when he did play-by-play for the Geneva (NY) Senators in the Class A New York-Penn League. Frattare's association with the Pirates began in 1974 when he served as a broadcaster for the Charleston Charles, the Pirates' AAA International League affiliate. He worked the Charles' games for two years before joining the Pirates' broadcast crew in 1976. In addition to his duties with the Pirates, he has been the radio voice of Penn State football and done TV play-by-play for Ohio State basketball. He also was play-by-play voice of the Rochester Americans of the American Hockey League for two seasons (1974-75 and 1975-76). Lanny enjoys golf, presidential history and music and he and his wife Liz are both involved in a number of Pittsburgh area civic and charity projects. Lanny also works closely with the Pirates Community Relations Dept. The Frattares reside in Upper St. Clair with their two children, David and Megan.

### Jim Rooker

Jim Rooker is in his ninth year of broadcasting Pirate games. A former lefthanded pitcher, Rooker won 103 major league games, including 82 with the Pirates. Born in Lakeview, OR, Jim was raised in Southern California. Signed originally by Detroit as an outfielder, he didn't begin pitching on a regular basis until 1965. In 1968 he made his major league debut and pitched in two games for the World Champion Tigers. The Kansas City Royals drafted him in the third round of the expansion draft following the '68 campaign and he remained with Kansas City until October 25, 1972, when he was acquired by the Pirates. "Rook" averaged 13 wins per season in his first five years as a Pirate. He will best be remembered as the Pirates' starting pitcher in Game 5 of the 1979 World Series against the Baltimore Orioles. With his club down three-games-to-one, Rooker allowed only one run over five innings while battling Oriole ace Mike Flanagan to a standoff, before the Pirates came back to win the game and go on to win the series in seven games. Bothered by arm problems throughout the '79 season, Rooker spent five months on the disabled list in 1980 before retiring at the end of the season. Jim enjoys golf, hunting, and traveling. He has three children — David (who pitched in the Pirates' farm system), Stephanie and Jami; he also has three grandchildren. He is the owner of Rook's East Side Saloon in Ambridge, PA.

**DID YOU KNOW . . .** KDKA Radio and KDKA-TV are in their 35th consecutive year with the Pirates, having originated broadcasts in each year since 1955 . . . KDKA Radio broadcast the first baseball game ever, when Harold Arlin was behind the microphone on August 5, 1921 when the Pirates played the Phillies.

## John Sanders

John Sanders, KDKA-TV Sports Director, is in his ninth full season on the Pirate broadcast team. A native of Manhattan, KS, Sanders keeps a very active schedule which has him busy broadcasting various sports events around the world from golf tournaments in Japan to Pirate broadcasts around the U.S. John received his bachelor's degree from Kansas State University in 1965. He spent 12 years at KMBC-TV in Kansas City, MO, where he was presented with the Missouri Broadcasting Assn. Sports Reporting Award in 1974 and 1976. John joined the KDKA-TV staff in February, 1978, as the weekend sports anchor and was named sports director of the station in 1980. Along with his work on Pirate broadcasts, John also has worked on numerous assignments for ESPN, and is sports editor of KDKA Radio's daily "Ninety to Six" report. John, his wife Cherie, and their two children, Gabrielle and Hillary, reside in Mt. Lebanon.

## Steve Blass

Former Pirate righthander Steve Blass joined the Pirate broadcast crew in 1986. A native of Canaan, CT, Steve began his association with the Pirates when he signed his first professional contract in June of 1960. In 10 major league seasons (1964-74) with the Pirates, he compiled a record of 103-76 in 282 games, and ranks seventh on the Pirates' all-time list in strikeouts (896) and 14th in wins (103). A member of the 1972 All-Star team, Blass won 78 games in a five-year period between 1968 and 1972. Steve was a Pirate hero in the 1971 World Series against Baltimore when he picked up complete game wins in Games 3 and 7. After retiring following the 1974 season, Steve remained in Pittsburgh and worked in private business in the city, also has one grandchild and is currently employed by the Frank B. Fuhrer Company. In 1982 he worked with Bob Prince on Pirate cable telecasts, and was retained when the cable rights were secured by Home Sports Entertainment in 1983. Steve and his wife Karen have two sons, David and Christopher, and reside in Upper St. Clair.

**Note**—In some cases, innings pitched and ERA do not match career totals shown in individual biographies. Prior to 1982, innings pitched were rounded off to the nearest whole inning (133.2 to 134) and ERA was calculated off the whole number. Beginning in 1982, innings pitched were listed exactly, including thirds of innings, and ERA was calculated from that exact figure. The figures shown in pitchers' statistical breakdown section reflect exact totals for all years.

## PIRATES WHO HAVE HIT FOR THE CYCLE

Hitting for the cycle (a single, double, triple, and home run in the same game) is a feat that has been accomplished 20 times by 17 different Pittsburgh players since the team's inception into the National League in 1887. Fred Clarke, Arky Vaughan, and Wally Westlake achieved the feat two times each. Westlake was the last to do it at home (at Forbes Field in 1949), and it has been accomplished just three times since the 1951 season. The full list is carried below.

# PIRATE HISTORY

## HISTORY OF THE PITTSBURGH PIRATES

Now in their 103rd National League season, the Pittsburgh Pirates' history is filled with world championships, division titles, Hall of Fame representatives and other highlights.

The Pirates' roots in Pittsburgh actually stretch back to April 15, 1876, when the Pittsburgh Alleghenies brought professional baseball to the city by playing their first game at Union Park. In 1882, the Alleghenies became a major league rival of the National League in the new National League in 1882.

Most of the Alleghenies' stars jumped to the Players (Brotherhood) League in 1890 in a dispute over low salaries. The Players League was disbanded shortly thereafter and players were ordered to return to their original teams. Pittsburgh received the nickname "Pirates" at that time when they were accused of "pirating" a player from the Philadelphia club.

In 1891, the new Pittsburgh Pirates took over Exposition Park on the north side of the Allegheny River, in approximately the same location that Three Rivers Stadium occupies today. The Pirates remained at Exposition Park until a dream was realized by owner Barney Dreyfuss when he opened the gates to Forbes Field, the first steel-structured stadium, on June 30, 1909.

Bill Benswanger succeeded his father-in-law, Dreyfuss, as Pirate President, upon the latter's death in 1932, and remained in that capacity until August 8, 1946 when John Galbreath teamed with Tom Johnson, Frank McKinney and entertainer Bing Crosby to purchase the club from the Benswanger family. McKinney sold his interest to Galbreath and Johnson in 1950, and Galbreath purchased Johnson's shares in early 1982.

The Galbreaths held 51 percent of the club's stock when they were joined in the Pirate family by Warner Communications in January, 1983. The entertainment conglomerate purchased 48 percent of the Pirate stock.

The newest chapter in Pirates' history began on October 2, 1985 when it was announced that a group of private and public investors, committed to keeping the team in Pittsburgh, had reached an agreement in principle to purchase the Pirates from the Galbreath family and Warner Communications.

Kiki Cuyler provided the big hit as the Pirates clinched their second World Series title in 1925.

Pittsburgh Associates is made up of 12 investors, representing nine corporations and three individuals. The group includes Aluminum Company of America, Carnegie

Mellon University, Eugene and Raymond Litman, John McConnell, Mellon Bank, N.A., National Intergroup, Inc., PNC Financial Corporation, PPG Industries, Inc., Ryan Homes, Inc., USX Corporation, Harvey M. Walken, and Westinghouse Electric Corporation.

Under the new ownership the Pirates have already made strides toward re-establishing themselves in the National League as well as in the community.

The Alleghenies defeated Chicago, 6-2, in their National League debut on April 30, 1887, but it wasn't a signal of things to come during the rest of the 19th century. In fact, the 1890 team set a record for most losses by a Pittsburgh team, finishing 23-113, and for its first 13 seasons in the senior circuit Pittsburgh's highest finish was a second-place showing in 1893 when the most remembered name on the club was a 31-year-old catcher named Connie Mack. "The Tall Tactician" later managed the Pirates (from Sept. of 1894 thru the 1896 season) but didn't enjoy the success he was able to achieve in 50 seasons with the Philadelphia Athletics, beginning in 1901.

Pittsburgh fortunes took a turn for the better in January of 1900 when the chief assets of the Louisville franchise were sold to Pittsburgh after the former was dropped by the National League. In the largest player transaction in Pirate history, Dreyfuss acquired 14 players including Hall of Famers Honus Wagner, Fred Clarke and Rube Waddell, plus standouts Deacon Phillippe,

Chief Zimmer, Claude Ritchey and Tommy Leach. All played significant roles as the Pirates rose to power in the dawning years of this century, winning the National League pennant in 1901, 1902, and 1903.

Dreyfuss, one of the pioneers of the game, is sometimes called the father of the World Series because he boldly challenged the American League

Red Sox to a post-season playoff in 1903 to determine who was the best team. On Oct. 1, 1903, Deacon Phillippe defeated the Red Sox' Cy Young, 7-3 in the first World Series game played. Boston, however, emerged as the series winner, overcoming a three games to one deficit, to win five times in the eight-game series.

The Pirates finished runner-up three times in the next five years before getting another shot at a World Series title in 1909. The Bucs won a club record 110 games that year under the direction of manager Clarke and went on to edge Detroit four games to three in a World Series that featured league batting champions Wagner and Ty Cobb, two of the original group of five players elected to baseball's Hall of Fame in Cooperstown, N.Y. in 1936.

In the 1920s, Forbes Field was described as "the Hialeah of ball parks." It was here on Oct 15, 1925 that Kiki Cuyler's bases-loaded double in the eighth inning gave the Pirates a 9-7 win over Walter Johnson and the Washington Senators in the seventh game of the World Series, capping a comeback that saw the Pirates rally from a three games to one deficit to win their second World Series in their third appearance in the Fall Classic. The Pirates emerged as N.L. champs again two years later, but this time were swept in four straight by the 1927 New York Yankees, featuring Lou Gehrig and Babe Ruth and regarded by many as the finest team in the history of the game.

Pittsburgh fans had to endure some lean seasons, standings-wise, in the next 33 years, but the 1960 season was well worth the wait. Danny Murtaugh's team finished 95-59, seven games better than the Milwaukee Braves. As in their last World Series appearance, the Pirates were matched against a powerful Yankee lineup, this one featuring Mickey Mantle, Roger Maris and Bill Skowron. The Yankees won Games Two (16-3), Three (10-0), and Six (12-0) by large margins. The Pirates won Games One (6-4), Four (3-2), Five (5-2) and Seven (10-9). The Series was won on the most memorable at-bat in Pittsburgh history when Bill Mazeroski homered off Ralph Terry to lead off the ninth inning, breaking a 9-9 deadlock.

*(Continued)*

The colorful history of Forbes Field spanned six decades and came to an end on June 28, 1970 when the Pirates played their final game in the great ballpark. On July 16 of that year the Pirates entered the era of the multi-purpose stadium when they played their first game at Three Rivers Stadium. The Pirates managed Three Rivers Stadium until January, 1983, when the City of Pittsburgh took over con-

trol of the facility. With the city takeover came a number of major improvements, including installation of new Astroturf, the addition of 5,000 seats and 37 new private lounge boxes and the unveiling of the DiamondVision video screen.

The Pirates were one of baseball's most successful teams in the 1970s. They amassed a 916-695 won-lost record from 1970-79

for a .569 winning percentage. Over that span, the Bucs won six division championships, two National League pennants and two more World Championships (1971 and 1979, both against the Baltimore Orioles). They were the only National League team to finish no lower than third place in a season during the '70s, and the only third-place finish came in 1973.

Pittsburgh has played host to three All-Star games, and the National League has emerged as the winner in each. Forbes Field hosted the 1944 game and the first of two 1959 All-Star clashes. Three Rivers Stadium hosted the 1974 mid-summer classic.

Pirate Hall of Famers include Wagner, Clarke, Pie Traynor, Paul Waner, Max Carey, Bill McKechnie, Lloyd Waner, Branch Rickey, Cuyler, Roberto Clemente, Ralph Kiner, Arky Vaughan, and Willie Stargell.

Besides the championships, Pirate fans have had much to cheer about over the years. A few of the highlights include Wagner's eight N.L. batting titles, Kiner's seven consecutive home run championships, Dale Long's streak of homers in eight consecutive games in 1956, Harvey Haddix' 12-inning perfect game in 1959, ElRoy Face's 18 straight wins in relief in 1959, Clemente's 3,000th hit in 1972, Stargell's 475 homers including seven which cleared the roof at Forbes Field and four which reached the upper deck at Three Rivers Stadium, and Rennie Stennett's 7-for-7 performance in a game at Chicago in 1975.

**Bill Mazeroski's home run won Game Seven of the 1960 World Series, setting off a city-wide celebration.**

## THE FACTS OF LIFE IN PITTSBURGH

Today's Pittsburgh will surprise you.

What was once a heavily industrial town has turned into a diverse corporate, medical, financial and educational center. According to the *Washington Post*, "The 'new' Pittsburgh of booming banks, expanding universities and more than 600 advanced technology companies bears little resemblance to the factories and mills that dominated the city's past."

It is a city steeped in historical tradition. And poised for future expansion.

Built on the banks of three sparkling rivers (the Allegheny, the Ohio and the Monongahela), Pittsburgh was recently named the Most Livable City in the United States by Rand McNally and its *Places Rated Almanac*. And, while many cities are dying a slow death, Pittsburgh is experiencing a rebirth.

Employment and commercial development are soaring due to the construction of a new airport terminal. With expected completion in 1992, the new terminal will provide greater access to cities around the world.

You'll find six new office towers downtown, a convention center, a new theater center and a 600-room international hotel built here during the past 10 years. Plans for an expanded ten-block cultural district, a new public science center and more riverfront attractions are on the drawing board.

Despite its dramatic growth (metropolitan Pittsburgh has a population of more than two million), Pittsburgh is in the company of such places as Honolulu, Hawaii and Greensboro, North Carolina as one of the 10 healthiest places to live in the country. And, according to Rand McNally, Pittsburgh ranks among the best in the nation for safety from personal crime — three times better than cities of similar size like Baltimore, St. Louis, Memphis and Cincinnati.

Pittsburgh is one of the largest corporate headquarter cities in the country with more than 85 percent of its work force employed in non-manufacturing industries. *The New York Times* recently described Pittsburgh as "an internationally renowned center for health care, a national power in the computer programming industry and a leader in the nascent robotics field."

Jean-Jacques Servan-Schreiber, founding editor of the French news magazine, *L'Express*, called Pittsburgh "the cradle of a world renaissance . . . the center of a new revolution, the knowledge revolution."

There are 31 colleges and universities in the area, including the hallowed halls of Carnegie Mellon University, the University of Pittsburgh and Duquesne University. Carnegie Mellon University created the country's first robotics institute and the University of Pittsburgh is a leader in bio-medical research, in the study of immunology, cancer, AIDS and geriatrics.

City public schools take high honors as well. The average class size is 21 and more than 90 percent of the teachers hold advanced degrees. Pittsburgh's suburban schools are among the best in the nation. Two districts, Mt. Lebanon and Upper St. Clair, received national recognition for "excellence in education."

There's a history of medical leadership here as well — from the discoveries of Dr. Jonas Salk's polio vaccine to the world's first synthetic insulin to the transplant successes of Dr. Thomas Starzl — and by the year 2000, Pittsburgh will be one of the largest research and development centers in the country.

Children's Hospital is home to the largest diabetes clinic in North America and the national center for research and treatment of ear, nose and throat disorders. Allegheny General Hospital is among the country's top cardiac care facilities and doctors at Presbyterian-University Hospital perform an average of one organ transplant every 18 hours.

Pittsburgh is also a city deep in cultural facilities and activities with hundreds of performances at Heinz Hall and the new Benedum Center. (The Benedum's stage is the third largest in the country.)

You can thrill to the trills of the Pittsburgh Opera Company, one of the top ten in the country. Or enjoy light-hearted musicals at the Civic Light Opera.

The Pittsburgh Symphony has been a Pittsburgh favorite for more than 90 years and has the world's largest endowment.

The Pittsburgh Ballet Theatre is growing by leaps and bounds and the Pittsburgh Dance Council represents the best in modern dance and choreography. And the Carnegie Museums of Natural History and Art, founded in 1895, offer more cultural activities than any other institution in the United States except The Smithsonian.

Indeed, Pittsburgh sports a glorious facelift. And a wonderful outlook for the future.

Pirate clubhouse is open to credentialed media immediately following game. Pirate clubhouse is open between games of a doubleheader for only those with early deadlines and closed during rain delays. Visitors' clubhouse policy is governed by visiting clubs.

**PRESS BOX:** Open to credentialed working members of the print, radio and TV media. TV crew technicians will be accommodated in fourth-level booths. No cameras (still or video) are allowed in press box unless authorized by the Pirates.

**FIELD:** Field and dugouts are accessible to credentialed media from the time the press gate opens until 30 minutes prior to game time.

**PRESS LOUNGE:** Open to credentialed media 90 minutes prior to game time until one hour after game concludes. Full meal is served pre-game; snacks and beverages available during games and beverage service is available post-game.

**PHOTOGRAPHERS:** Still photographers must work out of stationary locations adjacent to both dugouts (first base photo position has assigned locations for regular Pittsburgh media outlets). All photographers must have credentials and roving is prohibited unless authorized by the Pirates.

**ROVING:** Roving (in stands) by credentialed members of the media is prohibited unless authorized by the Pirates.

**REPORTS, RADIO & TV:** (Reports are defined as *NON* play-by-play reporting by non-rightsholders of scores and game highlights, including scene setters, game in-progress updates and post-game summaries).

- Reports must be limited to 60 seconds in length and no more than one report per inning may be filed to each media outlet.
- Radio and television reporters/stringers must notify the Pirates of their plans to do live reports at the time credentials are requested.
- Television reporters may file "live" reports — to air during regularly scheduled news programming — from the field or assigned fourth-level booth until game time or until the Pirate TV rightsholder's telecast begins.
- Live television reports are permitted during the game *only* when there is no home telecast. These in-game reports may not show the game in progress.

**NOTE:** The above "live-report" regulations pertain to regular-season games only as post-season play is governed by the National League and the Baseball Commissioner's Office.
